

## **Work Experience**

### **Camp AIM Counselor**

Jun 2018 – Present (Seasonal)

Spencer Family YMCA - Camp AIM

Grade 10, 11

25 Hrs/Week

*Worked with adolescents with intellectual and physical impairments to build behavior and thinking skills in a fun and safe environment. This allowed me to demonstrate and build patience and quick thinking in tough situations and under stress, as well as mature my ideas about disabilities and build relationships with unique individuals I would not have met otherwise.*

### **Inventory Management / Warehouse / Cashier**

Oct 2018 – Present

Busy Beaver Building Centers

Grade 11, 12

22 Hrs/Week

*Demonstrating people skills and a strong work ethic assisting customers and maintaining inventory in the store, as well as actively learning skills and techniques related to home improvement in order to better assist customers with their projects.*

### **Games Department Team Member**

Jun 2017 – Sep 2017 (Seasonal)

Kennywood Park

Grade 9

30 Hrs/Week

*Gained experience communicating with members of the community and keeping order in stressful situations.*

### **Extracurricular Activities**

#### **Manchester Craftsmen's Guild**

Grade 9, 10, 11, 12

*Demonstrated creativity and technical skills through MCG's Digital classes, gaining proficiency in Adobe applications and learning to use Laser Engravers, 3D printers, and the basics of CNC machines. Also took classes in ceramics and photography, developing my artistic abilities and skills while creating and capturing things that fascinate me.*

#### **Cross Country**

Grade 6, 7, 8, 9

6 Hrs/Week

*Learned how to build endurance and improve myself physically through running for sport.*

### **Volunteer Service**

#### **Elementary School Food Cabinet Organizer**

West Liberty Elementary School

Grade 9

*Organized and founded a food cabinet in West Liberty Elementary, working with the PTO to fund-raise, make space for, and kick off a new program to assist young kids who go home from school hungry. Program still in effect today.*

#### **Church Volunteering**

Allegheny Center Alliance Church

Grade 6 - 12

*Attending volunteering trips and events through my church that allow me to assist members of various communities through working food drives, running community events, and working with various companies who aim to help those in need.*

### **Personal Hobbies/Skills**

#### **Digital editing and designing: Photoshop / Illustrator / CAD Programs**

Skill Level: intermediate

*Gained experience with Adobe Photoshop and Illustrator through high school classes and the Manchester Craftsmen's Guild making various pieces for projects and working on side projects on my own time. Tinkered with and designed 3D models to be 3D printed, developing my ability to 3D model useful and decorative objects.*

#### **Programming: Processing**

Skill Level: intermediate

*Gained experience at home and through school programming in the Java-based platform "Processing", creating simple games and animations experimenting with different ways to write and organize code.*

### **Awards**

#### **Eleanor Friedberg Media Award: Electronic**

*Received a third place Electronic Media Award for a piece of digitally edited and laser etched art through the Manchester Craftsmen's Guild Invitational.*
